Hi Janice,

Thank you for reaching out. I'll check in on these two items and get back to you soon. Also, I'm adding Terrence Mann to this email. Thanks.

Victor

Subject: checking-in re: citizen complaints - All American Asphalt and Sun Valley Park

Hi Victor and Kevin,

I'm contacting you to check on a couple of items.

- 1) In early and mid-November 2021, we communicated about citizen complaints regarding All American Asphalt. EPA received another complaint this month about All American Asphalt, and I'm wondering if there has been any further development in addressing the complaints since we last talked. EPA will get back to the complainant(s) after we have a had chance to follow up with you, as EPA is weighing its options on next steps.
- 2) EPA had received a complaint about air quality from sources in Sun Valley Park, CA. I believe SCAQMD received the same complaint in September 2021. Has SCAQMD looked into the facilities, such as the recycling facility, there and found issues? If possible, I'd like to see if you could share any inspection reports. EPA is interested in looking in the area to conduct inspections, and invites coordination with SCAQMD.

Thanks,
Janice
